SERVICES

Negotiating the complexities of grant funding requirements can be challenging and time-consuming. With Terracon's experience, you can navigate the NEPA process for your Community Development Block Grant (CDBG) funded projects with confidence, whether those funds come through the Department of Housing and Urban Development (HUD), General Land Office (GLO), or another state or federal entity. Our services are comprehensive—from grant administration and project management to preparing the required environmental documentation. Whatever your recovery and resiliency needs, Terracon can help guide you through the process.

During the past five years Terracon has prepared Environmental Review Records and Services of work statewide for:

- Montgomery County
- City of Pasadena
- Harris County Flood Control District
- City of Houston
- City of San Antonio
- City of Gonzales
- Bexar County
- City of Austin
- City of Irving

Our Texas offices have prepared Environmental Review Records (ERRs) subject to 58.5 checklists with appropriate attachments.

Terracon has completed Environmental Assessments (EAs), Broad Reviews (Tier 1), Site-Specific Checklists (SSCs-Tier 2), Categorically Excluded (CEST, CENST) and Exempts for flood control districts, housing authorities, cities, and private developers in Texas under the CDBG-DR (Disaster Recovery), CDBG-MIT (Mitigation) Grants, HOME, MAP and Section 221(d).
